

INDEX

- A**
- Aeration, lawn, 4
 - Aeration Tonic, 4, 345
 - Alcohol, rubbing
 - for flower pest control, 136, 144, 186
 - in tonics, 56, 104, 144, 152, 158, 351, 353, 358, 359
 - Alliums, ornamental, as repellent, 266
 - All-Purpose Organic fertilizer, 120, 243, 290, 345
 - All-Purpose Pest Prevention Potion, 73, 114, 319, 322, 345
 - All-Purpose Varmint Repellent, 263–264, 318, 319, 322, 345
 - All-Season Clean-Up Tonic, 20, 21, 58, 97, 98, 104, 117, 345
 - All-Season Green-Up Tonic, 305, 306, 346
 - Aloe, as repellent, 264
 - Alum, in tonic, 32, 355
 - Aluminum foil, as repellent, 109, 120, 191, 192, 213–214, 295
 - Amazing Ammonia Antidote, 147, 346
 - Ammonia
 - in tonics, 15, 21, 28, 73, 95, 147, 195, 221, 289, 305, 318, 345, 346, 352, 353, 354, 355, 358, 359
 - uses for, 15, 114, 186, 226, 322
 - Annual and perennial pests
 - aphids, 117–120
 - blister beetles, 121–124
 - bulb mites, 125–128
 - caterpillars, 161–163
 - cats, 189–192
 - chipmunks, 193–196
 - cutworms, 164–167
 - deer, 197–200
 - flea beetles, 129–131
 - foliar nematodes, 168–170
 - four-lined plant bugs, 132–135
 - geranium budworms, 171–174
 - iris borers, 175–177
 - lace bugs, 85
 - leaf rollers, 178–180
 - mealybugs, 136–138
 - root-knot nematodes, 181–184
 - rose chafers, 139–142
 - scale, 143–145
 - slugs and snails, 185–188
 - spider mites, 146–148
 - spittlebugs, 149–150
 - strawberry root weevils, 151–153
 - thrips, 154–156
 - ticks, 157–160
 - Ant lion, for tick control, 159–160
 - Ants, 14, 36–39, 117, 268
 - Aphid midges, 120
 - Aphids, 9, 34, 36, 75, 115, 117–120
 - root, 242–243
 - Armyworms, 3, 247–249
 - fall, 16–17
 - Ash borer, 103
 - Ashes-to-Ashes Milkshake, 162, 175, 176, 248, 305, 308, 315, 346
 - Asiatic garden beetles, 270–272
 - Asparagus beetles, 273–274
 - Asparagus juice, for controlling root-knot nematodes, 184
 - Assassin bugs, 19, 50, 134, 210, 213, 239, 285, 306, 316, 326–327
 - Aster yellows, 214
 - Attacus Atlas moth, 64
- B**
- Baby powder, uses for, 127, 194

- Baby shampoo
for dog urine damage, 27
in tonics, 37, 126, 195, 221, 313, 347, 349, 352, 354, 355
- Bacillus popilliae*, for grub control, 25, 31–32
- Bacillus thuringiensis*. *See* Bt
- Bacillus thuringiensis* var. *israelensis*. *See* Bti
- Bacillus thuringiensis* var. *kurstaki*. *See* Btk
- Bacon grease, uses for, 236, 267, 333, 351
- Bagworms, 55–57
- Baking soda
in tonic, 238, 357
uses for, 115, 186, 327
- Banana peels, as aphid repellent, 120
- Banana slugs, 186
- Banded ash borer, 103
- Bark beetles, 40–42
- Basil, as aphid repellent, 119
- Basil oil mixture, in tonic, 361
- Bathing, plant, for controlling foliar nematodes, 170
- Bat houses, 329
- Bats, 14, 165, 173, 177, 180, 247, 251, 301, 328–329
- Batting, tree, 52–53, 63
- Bay essential oil, in tonic, 341, 350
- Bay leaf, as bean weevil repellent, 276
- Bean beetles, Mexican, 283–285, 286, 287
- Beans, 285
- Bean weevils, 275–276
- Bears, for controlling tent caterpillars, 66
- Beauvaria bassiana*, for pest control, 6, 80
- Beer
in tonics, 4, 21, 28, 182, 187, 289, 305, 345, 346, 353, 355, 357, 358, 359, 361
uses for, 130, 187
- Beetle Juice, 53, 54, 124, 134, 140, 207, 209–210, 223, 246, 284, 305, 346
- Beetles, 123. *See also specific types*
in tonic, 53, 346
- Beneficial nematodes, 2, 25–26, 56, 80, 104, 124, 142, 153, 167, 207, 216, 224, 271, 303, 313
- Beneficial wasps, 18
- Big-eyed bugs, 7, 120, 134, 135, 148, 213, 246, 330–331
- Billbugs, 2–4, 324
- Bird feeders, animal-proofing, 70, 190–191, 322
- Birds. *See also specific types*
best time for feeding, 71
for controlling
annual and perennial pests, 124, 141–142, 148, 153, 163, 164, 167, 176–177, 179, 188, 196
lawn pests, 4, 14, 16, 19, 20, 26
leaf-crop pests, 247, 251
root-crop pests, 204, 210, 212, 216, 219, 224
shrub pests, 78, 79, 84, 100
tree pests, 45, 50, 53, 59–60, 62, 64, 66, 74
vegetable garden pests, 271, 274, 281, 292, 295, 301, 306, 308, 316, 332–333
nests of, 109, 190, 332–333
as pests, 75
- Bites, insect, 15, 334. *See also* Stings, insect
- Black salsify, for repelling carrot rust flies, 204
- Black vine weevils, 77–80
- Bleach
in tonic, 113, 357
uses for, 10, 138, 143, 182, 322
- Blister beetles, 121–124, 340
- Bloodmeal, as chipmunk repellent, 195
- Blue, as attractant, 154–155, 156
- Boiling water, for killing pests, 38–39, 279, 316
- Boll weevils, 9
- Bon Ami®, for tree pest control, 73
- Bonemeal, uses for, 37, 243, 345
- Bonus Busters. *See also* Thug Busters
Flower and Foliage Flu Shot, 156, 278, 361
Manure Tea, 264, 361
Oil's-Well-That-Ends-Well Mix, 144–145, 180, 361
Rhubarb Pest-Repellent Tonic, 95, 135, 361
Spring Soil Energizer Tonic, 310, 360, 361
- Borers, 58–60
European corn, 304–306

- Borers (*continued*)
 iris, 175–177
 lilac, 103–105
 squash vine, 312–313
- Bottles. *See* Glass bottles;
 Soda bottles
- Braconid wasps, 247, 306, 308
- Brazilian red-eyed fly, 18
- Brown sugar, for catching slugs and snails, 187
- Brushing technique, for controlling tent caterpillars, 65–66
- Bt (*Bacillus thuringiensis*), 18, 210
- Bti (*Bacillus thuringiensis* var. *israelensis*), 14

 homemade, 162, 352
- Bt *tenebrionis*, 210
- Bucket, as trap, 74, 111
- Bufo toads, 342–343
- Bug Away Spray, 133, 134, 135, 347
- Bug-Off Bulb Bath, 126, 347
- Bugs, definition of, 134
- Bug zappers, electric, 13
- Bulb mites, 125–128
- Bulbs
 deer-resistant, 200
 pests attacking, 69, 73, 75, 125–128, 193–194, 242
- Butterflies, 162, 218–219, 256, 257
- Buttermilk, 257
 in tonic, 92, 354
- C**
- Cabbage loopers, 250–252
- Cabbage maggots, 215, 253–255
- Cabbageworms, 256–257
- Cabbageworm Wipeout, 251, 257, 347
- Calendula, for repelling asparagus beetles, 274
- Calibrachoa*, resisting
 budworms, 174
- California ground squirrel, 229, 231
- Camassia, as mite-resistant, 128
- Cankerworms, 61–62
- Can o' Worms Traps, for wireworms, 223
- Caper spurge, as gopher repellent, 228
- Capybaras, 110
- Carrot rust flies, 203–205
- Carrots
 pest-resistant, 205
 pests attacking, 203–207, 218–219
- Carrot weevils, 206–207
- Castor oil, in tonics, 32, 73, 227, 345, 350, 355
- Caterpillar Killer Tonic, 17, 63, 98, 162, 172, 180, 248, 251, 305, 308, 315, 347
- Caterpillars, 65–67, 115, 161–163, 173. *See also specific types*
- Catnip, as repellent, 79, 119, 131, 191, 200, 340
- Cats, 189–192, 342–343
- Cayenne pepper(s), in tonics, 69, 83, 122, 172, 191, 195, 257, 271, 347, 348, 351, 352, 353, 358
- Chamomile tea, in tonic, 166, 358
- Checkered lilies, as mite-resistant, 128
- Chili peppers, in tonics, 230, 318, 345, 350
- Chili powder, in tonics, 29, 69, 191, 348–349, 351, 358
- Chinch bugs, 3, 5–7, 324, 331
- Chinch Bug Tonic, 7, 347
- Chipmunks, 51, 193–196
- Chitin, for controlling root-knot nematodes, 183–184
- Chives, as repellent, 119, 200, 204
- Chocolate bait, for mice, 110–111
- Christmas lights, as opossum repellent, 320
- Cicadas, 149
- Cigarette or cigar butts, in tonic, 259, 355
- Cigarette smoke, for mealy-bug control, 137–38
- Citrus peels, 15
 in tonics, 9, 49, 349, 356
- Citrusy Soap Spray, 169, 348
- Clover, for attracting big-eyed bugs, 331
- Cloves, in tonics, 191, 210, 351, 360
- Clubroot, 255
- Codling moths, 43–45
- Coffee, for pest control, 14, 254
- Coffee can, uses for, 5–6, 34
- Cola, in tonics, 21, 28, 221, 289, 353, 355, 358, 359, 361
- Collars, for cutworm protection, 165–166

- Colorado potato beetles, 208–211, 285
- Compost, 4, 11, 22, 241, 318
in tonic, 179, 348
- Compost Tea, 179, 190, 292, 310, 348
- Container plants, protecting, 138, 143, 172–173, 192, 243, 255, 268
- Copper mini-fence, for slug and snail control, 188
- Corms, 128
- Corn, 2, 5, 8, 20, 112, 248, 300, 301, 320, 323
- Corn borers, European, 304–306
- Corn earworms, 9, 299–301
- Corn maggots, seed-, 309–311
- Cornmeal, uses for, 209, 333, 351
